**PETITION FOR NEW OFFICE ACTION AND WITHDRAWAL OF HOLDING OF
ABANDONMENT UNDER MPEP SECTION 7.11.03(c)**

MAIL STOP PETITION

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

After receiving a Notice of Abandonment on July 10, 2007 regarding the above-identified application, Applicants' representatives first became aware that an Office Action issued for the above-identified application on December 22, 2006. Applicants' representatives submit that this Office Action was never received from the USPTO, and that a search of the file jacket and docketing records indicates that no Office Action dated December 22, 2006 was received at SUGHRUE MION, PLLC. Since the entire shortened statutory period and the entire extended statutory period have elapsed, Applicants hereby petition to have the previously set time period for reply to the Office Action restarted. Applicants submit the following in support of the petition.

The PTO mail date of the Office Action was December 22, 2006. However, the Office Action was not received by mail. As a routine matter, mail received by Sughrue Mion, PLLC is first processed and date stamped by the Docketing Department upon its arrival. The Docketing Department then enters the appropriate due dates in the docketing system and the case is forwarded to the working attorney. The Office Action would have shown up on the PTO Action log here at SUGHRUE MION, PLLC if the Office Action had been received. A copy of the partially redacted PTO Action log for December 23, 2006-January 8, 2007, is attached as

PETITION FOR NEW OFFICE ACTION AND WITHDRAWAL OF HOLDING OF
ABANDONMENT UNDER MPEP SECTION 7.11.03(c)

U.S. Application No.: 10/767,468

Attorney Docket No.: Q79411

Attachment A as evidence that the Office Action was not received. The first column of the partially redacted PTO Action log shows that no Office Action dated July 17, 2006 for U.S. Application No. 10/767,468 was received here at SUGHRUE MION, PLLC. This is discernable since none of the serial numbers with the PTO mailing date of December 22, 2006 ends with the numbers 7,468¹.

Further, Applicants' representatives submit that the above-discussed Office Action would have been docketed for a response due three months from the mail date and it would have shown up on the docket on March 22, 2007 (3-months after December 22, 2006), if the Office Action had been received. A copy of the docket for March 22, 2007 is attached as evidence that the Office Action was not received (client information on the docket has been redacted).

As provided for in MPEP §711.03(c), and in view of the above, Applicants respectfully petition to have the holding of abandonment withdrawn and the previously set time period for reply to the Office Action dated December 22, 2006, restarted.

It is not believed that any fees are due for the instant Petition. However, should it be determined that fees are required for the instant petition, please charge the fees to Deposit Account No. 19-4880.

The undersigned respectfully requests to be advised of the status of the above-identified application.

Respectfully submitted,
